

SHIPMENTS OF MINING AND CONSTRUCTION MACHINERY 2014

Product	Value of Product Shipments (million dollars)	Total Export Value of Goods (million dollars)
Mining and Mineral Processing Equipment:	5,058.0	3,532.3
Underground mining machinery (except parts)	2,212.0	n/a
Mineral processing and beneficiation machinery (excluding parts sold separately)	152.3	n/a
Crushing, pulverizing and screening (except parts sold separately and portable crushing, screening, washing, and combination plants)	735.9	418.9
Drills and other mining machinery (excluding parts sold separately)	289.8	869.6
Parts and attachments for mining machinery and equipment (sold separately)	1,487.2	1,694.2
Mining machinery and equipment, not specific by kind, total	180.8	n/a
Undistributed mining machinery and equipment	n/a	549.6
Construction machinery (includes surface mining equipment):	33,241.8	26,576.3
Power cranes, excavation loaders, dozers, construction tractors, off-highway trucks and trailers, mixers, pavers, backhoes, and related equipment	25,575.3	17,292.0
Other construction machinery and equipment (excluding parts)	4,219.0	504.9
Parts for construction machinery and equipment, sold separately	2,827.4	4,503.2
Construction machinery, not specific by kind, total	620.0	n/a
Undistributed construction machinery	n/a	171.7
