10	Rio Tinto	426	Anglo American	457	Nornickel	468	Anglo American	462	Antofagasta	483

(1) Production is attributed to the owners of each mine in proportion to the stake held. Production is based on calendar year output, and mine ownership as of December 31 of the year in view and does not account for acquisitions or divestitures completed during the year. As a result, production totals may not align with company reported totals.
