Teams Meeting on DOI's Interim Final Rule to Revise Its NEPA Regulations

As we previously informed you, the Department of the Interior (DOI) recently published an [interim final rule](#) (IFR) that makes major changes to the department's approach to implementation of its National Environmental Policy Act (NEPA) regulations. Please see the National Mining Association's (NMA) July 7 [memorandum](#) for our initial analysis of the IFR. Comments on the IFR are due on Aug. 4. To develop the association's comment strategy, the NMA has scheduled a Teams meeting for July 24, 2025 at 3:00 PM Eastern. Click [here](#) to add the meeting to your calendar.

In the meantime, if you have any questions regarding the IFR, please contact Katie at ksweeney@nma.org.
